Note:

This is a pilot chapter, chapter 00. Chapter 01 comes out next month. So yes, they've crammed into these few pages WAAAAAY more names of both people and powers and other references than they should have. We agree with you this chapter should have been twice as long or more, but this is what we have to work with, so enjoy the great art, try to follow along with the story, and that chapter 01 is going to be awesome!
